A. Bachelors.

Q. Can I see your degree certificates?

A. Yes.

About the College and course you are applying for

Q. What is the course you are applying for?

A. MS in Computer Science.

Q. Why did you choose that course?

A. I am really passionate about computer science. There are not many experts on this subject here. So if I do this course in the US, it will help me a lot here in India once I come back.

Q. Why did you choose this University?

A. I will suggest you do some research and list out pros. You can say their MS department is very good. The university is known for research in this field. You can also say I am a big fan of this professor and want to learn from him.

Q. Do you know any professors? did you contact any?

A. I know the name of the professor. He is an expert in this field. I have not contacted him personally but am excited to learn from him.

Q. Did you get any scholarship?

A. be honest and say yes/no.

Q. What will you do after graduation?

A. I will come back and take up a job here. My degree will help stand out in this field.

Q. Why don't you stay here and study?

A. The University has a good reputation in international publication. I think this will be an opportunity for me to learn from them. I will also get global exposure.

Q. Who is going to sponsor you?

A. Tell your sponsor. Like I have taken a bank loan plus my parents will support me financially.

Q. How do your parents manage if they spend so much money on you?

A. My father has other properties apart from jobs and policies.

Q. Do you plan to work while studying?

A. I want to focus on my studies only. So I have no plans for work.

Q. If You Run Out Of Money In The US, How will you manage?

A. I have enough balance in my account to cover all the expenses. So this situation will not arise.
